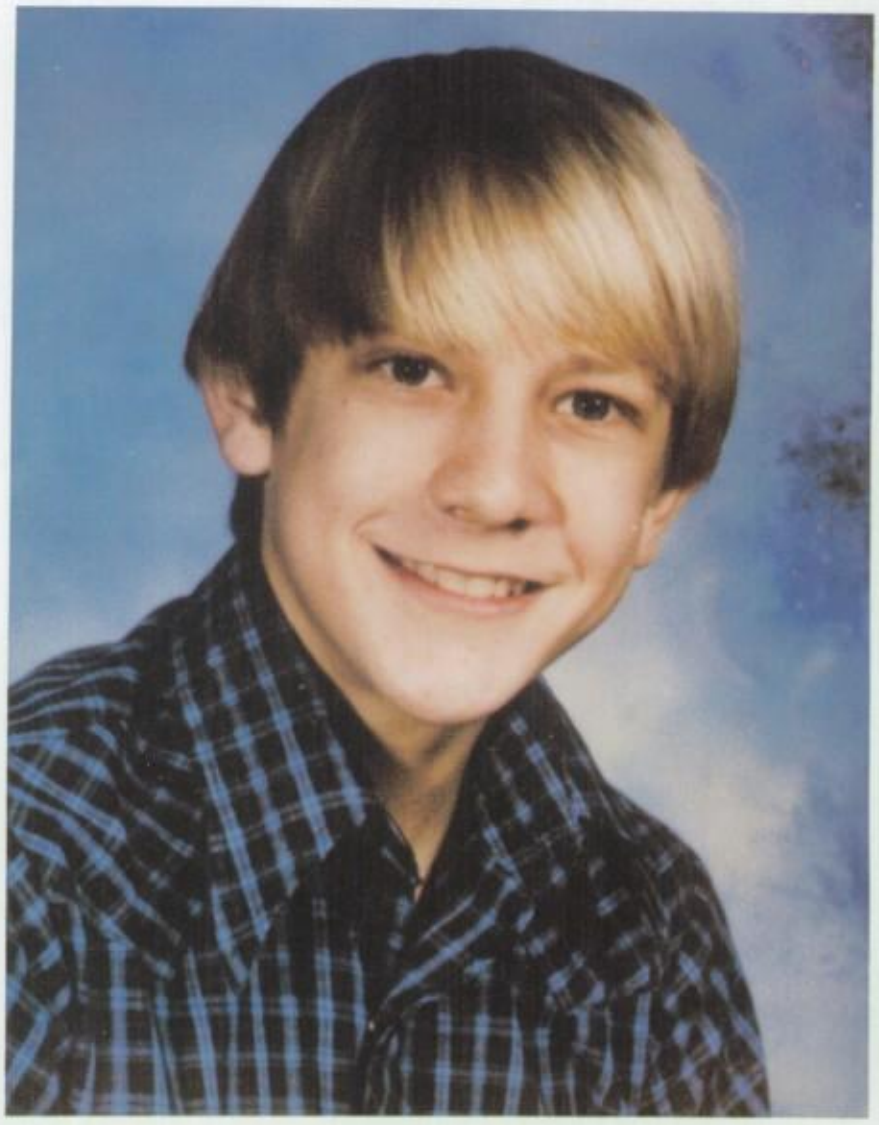
The rainbow is more beautiful than the pot at the end of it, because the rainbow is now. And the pot never turns out to be quite what I expected.

Seniors

The Senior class of "82" dedicates the 1981-82 Chieftan yearbook in loving memory of our classmates, Scott Frushour and D.B. Myers. We will cherish their memories in our hearts forever.

Donald Brown Myers 1964-1981

Scott Alan Frushour 1964-1980



We cannot bring the past days back
When we were all together
But precious memories and loving thoughts
Will live in our hearts forever.
The time you spent and deeds you did
Were precious to the taker
But there comes a time in all our lives
When we must meet our maker.
And so that time will come we know
When we all shall be together
The precious memories and loving thoughts
Will be shared again, forever.

"May the wind be at your back, may the road rise up to meet you, and may the Lord always hold you in the palm of his hand" was the motto chosen by the Senior class of 1982. The votes for the class song were close, but the winner was "Time for me to fly" by REO Speedwagon. The Senior colors were a beautiful combination of dusty rose and wine. Could there be a more perfect flower for the class with class than the classy red rose? Lastly, the seniors chose as a gift to BHS a computer for the newly formed computer class.

The Students At B.H.S.

Walking in style.

Megan and Chuck sport the "Preppie" style.

Students around Boonsboro High look very up-to-date in many new styles and colors. There's a lot of Sailor fever that has hit the scene here at B.H.S. with their hats and blouses. Also the nice blazer with the plaid skirts are being worn. The colors for spring are bright and unique. The latest new look is the knickers and the colorful socks. Along with the designer jeans, they are wearing the ruffled shirts which replace the straight tailored look. This year's fashions are so unique, that we cannot wait to see next year's.

No, Wanda's pants did not shrink - she's wearing knickers.

Mr. Joseph Robeson- Principal
Shippensburg State College, M. Ed.

As you look at your yearbook in succeeding years, I hope it will recall for you some happy moments. Being a high school student can be both very satisfying and extremely frustrating, depending on the given situation.

I sincerely hope that we at Boonsboro High School have been instrumental in creating an atmosphere where all students can succeed in various endeavors. Ultimately that responsibility belongs to each student. I hope you took advantage of the opportunities we gave you. Best wishes to all of you.

Respectfully,
Joseph W. Robeson

Mr. Richard Hawkins - Vice Principal
Shippensburg State College, M. Ed.

Boonsboro High School has experienced many changes over the past few years. Teachers have retired, new personnel have been hired and many new school activities have occurred. With all of these changes and activities come success and failure; frustration and satisfaction; and personal adjustment and readjustment. You, the students of Boonsboro High School, have made your high school one of the finest in the county through hard work, involvement, and excelling in all of your efforts.

Congratulations on a job well done.

SPORTS

Cross Country

Cross Country, often referred to as a lonely sport, is not only for the physically fit, but also for the dedicated individual willing to sacrifice much time and energy in order to stay fit. This years' team hosted 26 such players. The team, under direction of Coach Dwight Scott, had a spectacular outcome as it equaled the records of the two best teams in Boonsboro's history.

The boys won the majority of Dual-/Triangular meets, loosing only to North High. Dave Long, Chris Davenport, Frank Lum, Steve Mason and Eric Cooper all ran under 16:30 in the three-mile run. The boys also finished no lower than second in all major meets.

The girls also won the majority of Dual-/Triangular meets and finished no lower than second in all major meets. Tara Marshall and Yvette Lemkuhl both had an outstanding year, running under 13:30 and 12:30 consecutively.

The Cross Country team came a long way in gaining both recognition and success as they achieved and even surpassed many team goals.

Warriors smear Smithsburg

The 1981-82 Varsity Football team, led by co- captains Kirk Stiles and Doug Kaufman, continued the tradition of winning athletics at BHS. Although the season began with a loss to North High, the Warrior team reversed the trend when they shut-out the Catoctin team 28-0. This victory was then followed by others, as the team successfully defeated Williamsport, Walkersville, Brunswick and N. Carroll. During the Walkersville game, the varsity players started a new thing when they scored 3 safeties. The streak continued when in the Brunswick and N. Carroll games safeties were again scored. Other scoring of the 1981-82 team included a total of 18 touchdowns, 16 extra points, 1 field goal, 4 shut-outs, and 5 safeties.

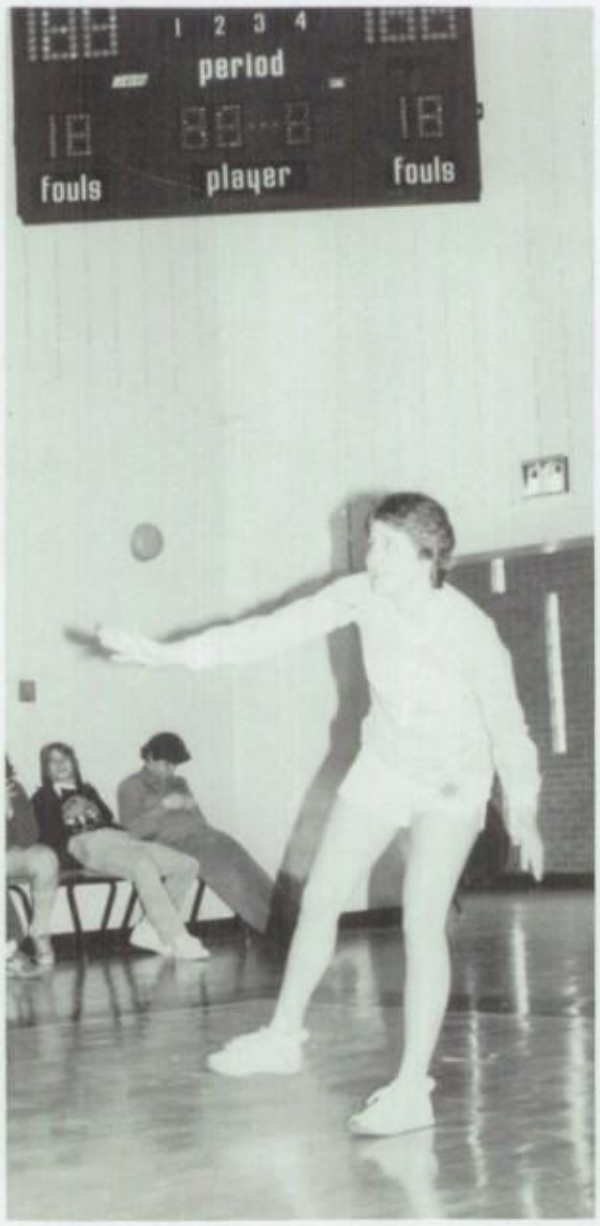
Varsity Volleyball



Senior - DEENA MOSE

As a Junior, I was honored to be on the first girls volleyball team at Boonsboro. Although we had some problems over the last two years we learned a lot from our mistakes. During my senior year I learned that winning is not everything, but that organization comes first. We didn't have a winning record but had fun playing. I wish the best of luck to the future of volleyball.

Senior - AMY HENNEBERGER

The volleyball program at Boonsboro High School has been an interesting experience. Since the program began last year, I feel it has improved rapidly.

We had a lot of fun and worked together well, even though our record does not show it.

The Varsity Volleyball team is in its second year of organization, and it has much improved over last year. They set new records in all categories, both team and individual. The team was very competitive this year and placed fifth in the region. The team was lead by Tri-Captains C. Wilt, who received the Defensive Award, D. Mose, who got the Bumping Award, and A. Hennenberger, who received the Spiking Award. The Offensive Award went to S. Starr.

They ended their season with a match record of seven-six and a game record of sixteen-fourteen. This team had outstanding improvement over last year's season. Captain Sherri Moser received the Offensive Award with seventy-one points, thirty spikes and six blocks. The Defensive Award went to Sarah Hubbard with eight saves. Underettes Are Victorious

The amazing SENIORETTES

The cheerleaders again this year held the Annual Powderpuff football game. The Seniorettes were led by coaches Joe Sheedy, Robert Walsh and RJ Stansbury. The Underettes were led by Curtis Fazenbaker, Scott Beachley, Kenny Kiracafe, Rick Hutzell and Brian Banzhoff. The Underettes defeated the Seniorettes for the first time in many years. The score of the game was sixteen to eight. The Junior Varsity football players gave a lot of excitement and spirit to the game with their stupendous cheerleading efforts.

The BHS Varsity Basketball team started off the 1982 season with a victory over North Carroll High. The winning streak continued when the team defeated Catoctin, Clear Spring and Francis Scott Key. This year's Basketball Squad was the highest scoring team on record- their average score was 10 points/game. Along with this record, various others were set during the season. Mike Conway was the team leader in assists, scoring a total of 117- the second highest in school history. The leading scorer and rebounder was Chris Penn, with 401 points and 207 rebounds made. Brian Eichelberger hit 52% of his career field goal points, as well as a total of 19 passes. Several team members were also MVAL. The season was rounded off to a finish of 15 wins and 8 losses. The squad became the number 2 seed in the Region tournament as a result. Although the squad lost to eventual state finalist Walkersville, the season was considered a great success by all.

Track Teams Surpass All Goals

The Washington County Board of Education limited the activity by barring teams from running in buildings and by asking the participants to pay for the transportation to the meets. For this reason the Indoor Track Team was limited to the following meets.

Region II Class B-C	4th of 11 schools
State Class B-C	10th of 28 schools

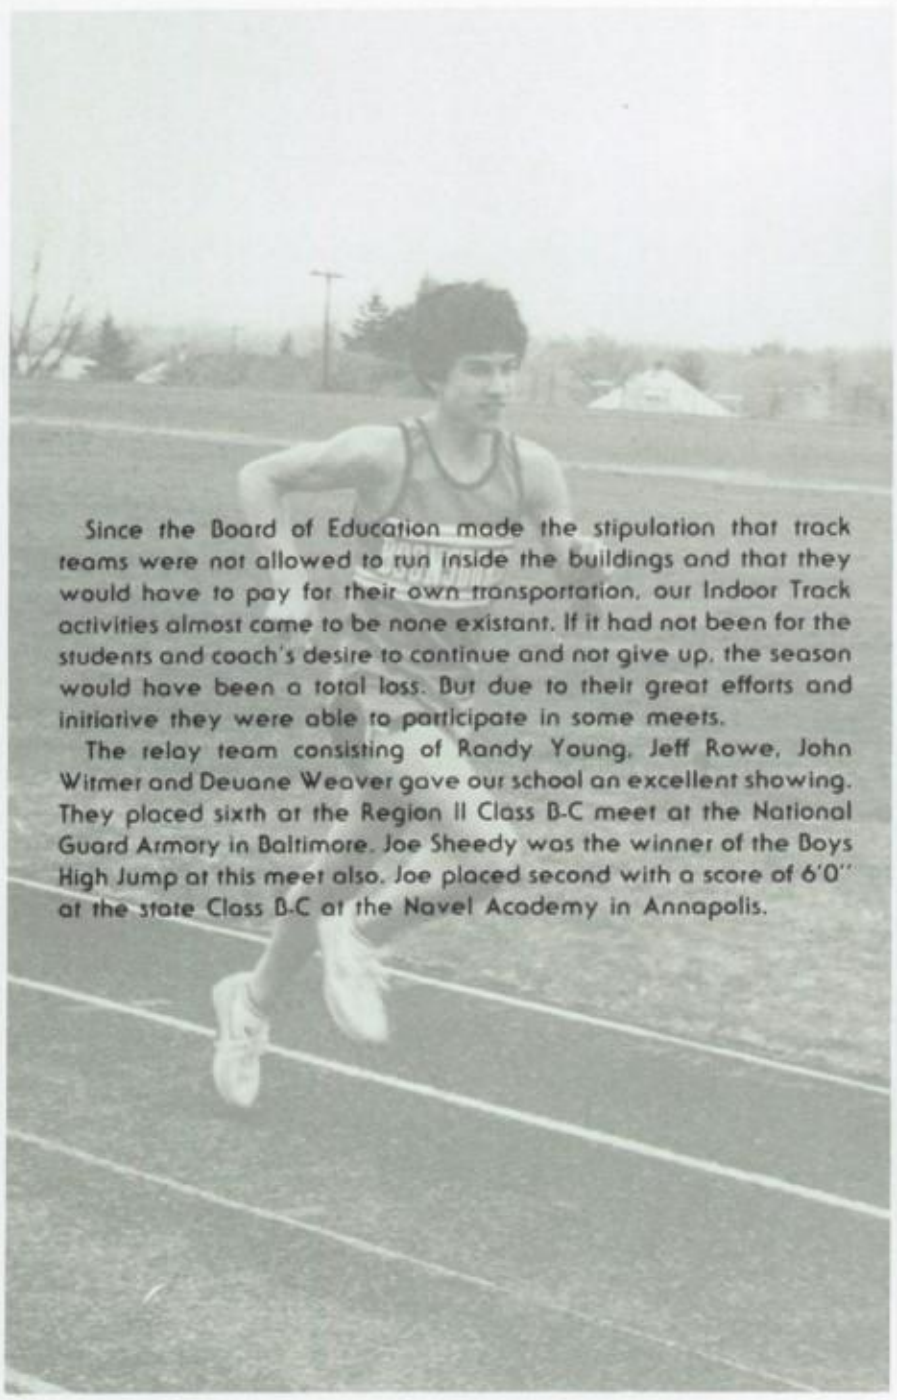
Ailen shows great form



Since the Board of Education made the stipulation that track teams were not allowed to run inside the buildings and that they would have to pay for their own transportation, our Indoor Track activities almost came to be none existant. If it had not been for the students and coach's desire to continue and not give up, the season would have been a total loss. But due to their great efforts and initiative they were able to participate in some meets.

The relay team consisting of Randy Young, Jeff Rowe, John Witmer and Deuane Weaver gave our school an excellent showing. They placed sixth at the Region II Class B-C meet at the National Guard Armory in Baltimore. Joe Sheedy was the winner of the Boys High Jump at this meet also. Joe placed second with a score of 6'0" at the state Class B-C at the Navel Academy in Annapolis.

This year's Outdoor Track teams set very high goals for themselves and were able to reach them without a doubt. There were many new records set due to the team's initiative to be better than the next person and their love of the sport to which they belong. Scot Poffenberget set a boys' triple jump record of 44' 4½" and was also the state champion in the same event. The boys' 3,200 mile relay team consisting of Eric Cooper, Chris Davenport, Steve Mason and Frank Lum recorded a time of 8:25.5. The girls' 3,200 mile relay team made up of Yvette Lemkuhl, Katrina Wyand, Julie Rasmussen and Karen Millhram recorded a time of 10:19.8. Yvette Lemkuhl set a record of 12:06.7 in the girls' 3,200 mile run.

Our teams competed in the Region One Class C meet and the State Class C meet. At the Regional meet the boys' team put everything they had into it and came out first of six schools. The girls also showed them what they were made of by placing second of eight. Both teams gave a tremendous showing at the State meet. The boys placed fourth of twenty-five and the girls placed eighth out of twenty-five.

Yearbook Staff

This year's Chieftain Staff had a busy year in order to make the yearbook a success. They sold candy at basketball games and also had several candy and bake sales in school. 'Summertime' T-Shirts were sold at the end of the year as an additional fund raiser. Staff photographers kept busy taking pictures of concerts, parades, sports events, special happenings and mainly just of you, the students of BHS.

Under the excellent direction of Miss Sharon Hoppes, the almost 100 staff members pulled together to help make the year 1981-82 a year for you to remember. It was definitely not always an easy task, but thanks to cooperation from faculty and students and the never-ending energy of the yearbook staff, we have created a yearbook which will hopefully bring back fond memories in the years to come.

This year the Boonsboro High School Student Council was under the direction of new advisors. Our new leaders are Mrs. Piccolomini and Mr. Woodring. The executive council was also led by new talents. They are President - Betty Langley Vice President - Jamie Burtner, Secretary - Laurie Hoffman and Treasurer - Barb Downin.

During the first week of school the council organized and held freshman orientation. Then keeping with tradition, the council sponsored the five day Spirit Week festivities which ended in a spectacular dance honoring the queen. This year we were entertained by the band Razmus. The Christmas spirit was then displayed by the students when the council held a decorating contest. Then once again the alumni were invited to the school for our annual alumni tea.

One activity in which the students became involved with the faculty was the student - teacher basketball game. Another was Teacher Appreciation Day. On this day the students were allowed to participate as part of the faculty while the council held a luncheon to show their gratitude toward the administration. Other activities held by the council were a blood drive, an Easrer egg hunt for the elementary school and an exchange day. All of the activities held by the council were successful.

Band Triumphs At Mummer's

Many people fail to realize the number of long, hard hours that over 100 students work to make the BHS band the success it is. Those long hours of practice, memorization of music, field and parade commands, and concert work produced a top notch Warrior band.

The band's precision and abilities produced great football half-time shows and a performance at the Washington County Showcase of Bands. The military style band marched away with first place honors at the Chambersburg and Mummers parades.

As the weather turned cooler the band went indoors to prepare for their annual Spring Concert. The concert provided special recognition to the Juniors and Seniors. On May 1 they traveled to Winchester, Virginia, to participate in the Apple Blossom Parade.

The year ended when the band performed for the community in the Boonsboro and Sharpsburg parades to show their appreciation for all the support they received from the community.

The Chorus this year was under the advisement of Mr. Gene Ford. This year they held their annual Christmas Concert on December 9th. They also were in the All County Chorus which was a great success. Some of the students also helped a great deal with the Tournament of Plays. They sang a great variety of songs and this helped in the learning of what other countries sing.

The Varsity Cheerleaders this year were lead by a new advisor, Mrs. Donna Conway, who worked very hard through the year to make the Varsity Cheerleaders very successful. During the summer they attended a Golden Eagle Cheerleading Clinic in Gettysburg, Pennsylvania. They also held a Cheerleading Clinic for B.A.A.A. Cheerleaders and other girls in the Community. During basketball season they were invited to the Naval Academy in Annapolis for a competition and placed in the top ten. The captains were Betty Langley and Tina Haupt. They worked very hard together and along with the other six cheerleaders gave spirit to all the boys competing.

This year the J.V. Cheerleaders started the year with a new advisor, Mrs. Donna Conway, who we say a special thanks to. The Cheerleaders attended camp at Golden Eagle in Gettysburg Pennsylvania where they learned many techniques. They brought back many ribbons and a Spirit Stick. The girls had some rough times, but they always seem to pull through them. We did a lot of practicing and painting posters after school and during the summer to prepare for the school days ahead. All in all, the year was very enjoyable. Without the cheerleaders to give the boys the spirit, it would be a dull season.

Tug-A-War: A Pulling Success!

The annual Tug-of-War was held this year and was a pulling success. This year the championship went to Mrs. Schindel's homeroom who were Seniors. This homeroom also won the championship in the tenth grade and came back in their last year to win it again. They then went on to pull against the teachers. Unfortunately they were defeated and the teachers won.

A.V. Crew: T. Rupp, D. Griffin, S. Ingram

The A.V. Crew is very helpful to the school and to the teachers. This program is run every year and it gives the students a chance to learn about the machinery that the school uses. The students that have the opportunity are very talented. They should get more appreciation then we give them. THANKS A.V. Crew!!

A Rewarding Experience At Assemblies

Teacher of the Year: Mr. Wilkes

W. Birner receives an award.

Spirits were high at BHS when students received recognition for achievements made during the year. Three awards assemblies- Fall, Winter, and Spring – each pointed out to the student body those spirited students who participated in football, basketball, cross country, volleyball, or some other athletic event. But not only were sports minded students recognized– academically inclined were too. All students, though, whether academic or athletic, should be proud of their achievements for the school year.

Art students are rewarded.

Students Demonstrate Spirit

Spirit Week took place the week preceding Homecoming. Even though we did not have a pep rally, the student body still demonstrated their spirit and were psyched for Friday's game. The week consisted of Monday as Jock Day, Tuesday as Jersey Day, Wednesday as Hush-up Day, Thursday as Dress-Up and Carnation Day, and Friday as Blue and White and Button Day. The entire week was fun, not only for the students, but also for the faculty. The game was a Warrior victory with a shut out over Catoctin, 28 to 0. The 1981 Homecoming Court was: Deena Mose, escorted by Dean Tritapoe; Shelly Manley, escorted by Chuck Glasier; Julee Allen, escorted by Gary Baker; Andrea Poffenberger, escorted by Brandon Garver; Cindy Reeder, escorted by Dave Bittle; and Wendy Bitner, escorted by Chris Bolton. At half-time Andi Poffenberger was crowned queen by Mrs. Ursula Riley, former teacher at B.H.S. Andi was presented with the traditional bouquet of roses. Razmas provided music at the dance following the game. The evening was an enjoyable and memorable one for all who attended.

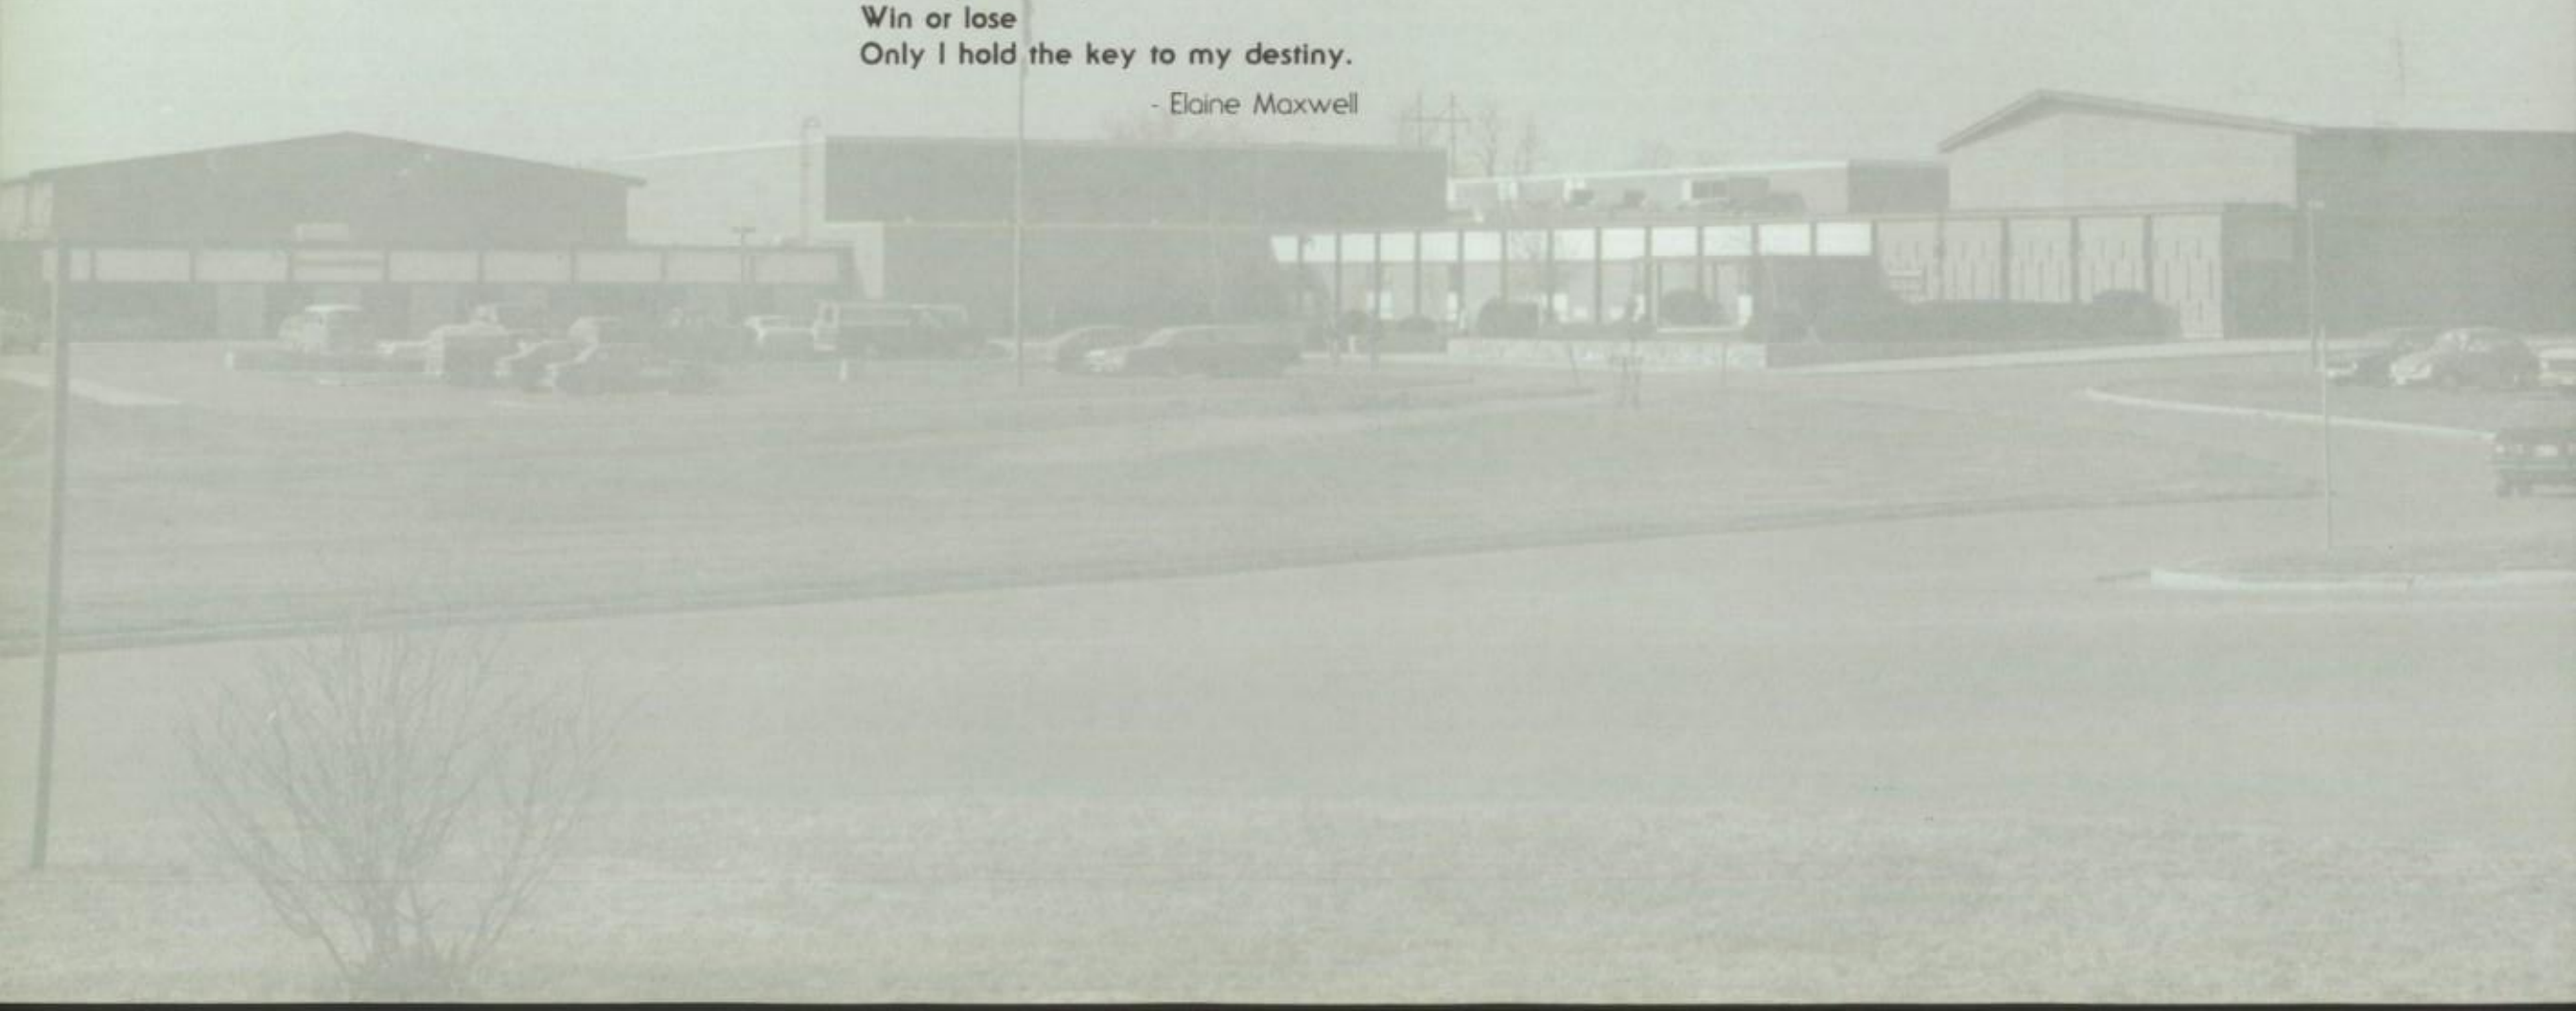
I HOLD THE KEY

My Will shall shape my future;
Whether I fail or succeed shall be
no man's doing but my own,
I am the force;
I can clear any obstacle before me,
Or I can be lost in the maze,
My choice;
My responsibility;
Win or lose
Only I hold the key to my destiny.

- Elaine Maxwell



I AM NOT AFRAID OF TOMORROW
FOR I HAVE SEEN YESTERDAY
AND I LOVE TODAY
